SERENE HOME TO NATURE'S ARTISTRY

shown on front: **LRV20 12x24** Rush Gray & **LRV24/M3x3CHEV** Cool Mix Mosaic

Lost River is an affirmation to the surreal beauty of waterways that flow mysteriously through a subterranean world. These majestic passages lead to a landscape of magnificent formations, beautifully worn by water and time, and create an awe-inspiring canvas of soft colors and delicate veining. Lost River is a serene, yet powerful homage to nature's artistry.

Four distinct and flourishing color options provide a natural springboard for design. Cascade Beige delicately mimics a light, golden sandstone for an on-trend, warm and inviting neutral. Rush Gray is equally tranquil, frothing with a more cool, invigorating tone. Adrift Taupe's combination of effervescent mid-tones offers a unique balance of color blended with striking, granular textures and veining. Torrent Black is perhaps the most dramatic of the collection with its deep pools of rich tone-on-tone dark grays and swirling black.

Color body field tile is available in a 12x24 format while two chevron mosaics in either warm or cool mixes add a creative current to the line. A 3x24 bullnose and classic 25-piece mosaic are also offered in all four colors. Rounding out the line as a modern installation element is a sleek ¼ x 24 metallic liner in bronze, copper, or black.

Lost River porcelain tile is made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY. It includes pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified. Manufactured using proprietary HDP—High Definition Porcelain® printing technology and with the technical performance of porcelain, it is appropriate for most residential and commercial wall, countertop, backsplash, and most floor applications.

Porcelain Technical Data Properties (Floor)	Results ¹
ANSI® A326.3 ²	Interior, Wet Plus (IW+)
Surface Hardness	7 Mohs
Break Strength	≥ 500 lbf. avg.
Water Absorption	≤ 0.5% ³
Intended Use ⁴	Residential, Light Commercial & Heavy Commercial

¹ Values are offered in good faith as being accurate and typical of normal production. Due to the natural variation of raw materials and manufacturing processes, the values of the purchased product for any particular installation may vary.

² For more information, visit floridatile.com/productuseclassifications.

³ Average production value.

⁴ Please visit www.floridatile.com/intended-use for further details.

Typical Uses

Lost River color body porcelain tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.
