Rhyme by Florida Tile is the newest color body series inspired by a traditional linen fabric look. Throughout the history of design, linen looks have been popular for their textural richness and simplicity of natural fibers. Today the combination of textures is ever more popular with the mix of natural stone, glass and other elements. A linen look can be both contemporary and timeless, with a monochromatic palette and mix of simple but elegant texture.

Through an innovative design process, we are able to replicate the fragile texture of fabric in the surface of our tile. Rhyme, was

created with a combination of this natural texture featured in the punch, along with a graphic that replicates the subtle tone-on-tone effect of the man-made material.

The Rhyme collection comes in a 12x24 format and also includes two different 12" mosaic options, M1x6 and three roman patterned multicolored blends, as well as a full bullnose package for each of the 5 colors. This product line is entirely Made in the USA and includes pre-consumer recycled content. It is GREENGUARD® and Porcelain Tile Certified.
