URBAN FOUNDRY HDP High Definition Porcelain

shown on front: **FDY10 12x24** Alumina, **FDY20 12x24** Cast Nickel & **FDY20/M12** Cast Nickel

The history of human civilization is tied intrinsically to the metal foundry. From the times of ancient Mesopotamia, we have been taking elements from nature and shaping them into the framework of our lives and communities. Urban Foundry^{HDP} from Florida Tile evokes nostalgia for weathered tones of oxidized metal combined with the charm of time-worn finishes from epochs of industrial eras. This color-body, porcelain floor and wall tile provides the perfect foundation for chic industrial interiors.

Urban Foundry^{HDP} features four lustrous colors to choose from: Alumina - a beautiful ashen silver/white; Cast Nickel - a medium silver/gray with hints of warmth like an aged coin;

Graphite - a warm gray with hints of green and bronze; and Iron Oxide - layers of earthy rust and other burnished tones. All four colors are available in a pressed 12x24, a 25-piece mosaic, and a 3x24 bullnose.

Manufactured using proprietary HDP—High Definition Porcelain® printing technology, Urban Foundry^{HDP} is appropriate for all standard applications in both residential and commercial settings. It is entirely made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY, of pre-consumer recycled content, and is GREENGUARD® and Porcelain Tile certified.

Field Tile Nominal Size (in) ¹	Metric (cm)	Pcs./Sq Ft ²	Thickness ³	Edge
12x24	30x60	.5	9mm	Pressed

¹ These values may vary from lot to lot.

² These values are based on actual sizes including the grout joint.

³ May not apply to textured surfaces or tiles with uneven back patterns such as mesh mounted mosaics.

Trim	Shape	SKU	Nominal Size (in) ¹	Metric (cm)
Bullnose		P43N9	3x24	7.5x60

¹ These values may vary from lot to lot.

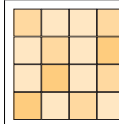

Typical Uses

Urban Foundry^{HDP} color body porcelain floor and wall tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

Color Variation

V3 Moderate Variation

Color, texture, and finish variations may occur due to the nature of the product.

Notes:

Country of origin and other product features and characteristics are subject to change due to manufacturing efficiencies and other factors. See retailer or product packaging to verify country of origin and other product characteristics.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.
